Course Syllabus

Instructors:

Christopher Hall- 867-4893

Jane Hall- 247-3250

Alison Hall- 858-386

Email address: Hallchrisjd@aol.com

Course Requirements: (You must complete)

40 Hours of parental Driving

30 Hours of Classroom Instruction

10 Hours of Driving

6 Hours of Observation

Classroom days and hours:

All Classroom instruction sessions will be held on Mondays and Tuesdays from 6:30-8:30 pm. Driving and observing times will be scheduled with students and parents during parent night. (Classroom days are subject to change as Instructor sees fit)

Prerequisites:

You must turn 16 years of age on the last day of the course.

Objective:

Our goal at Harry's Driving school is to teach drivers how to safely operate a vehicle on the road along with the laws and rules that are set up for all drivers so driving is a safe, and smooth travel by all users of the highways. In order to accomplish this Students will learn and have a full understanding about the HTS (Highway Transportation System), limited space, signs, laws of nature, communicating, seeing, Insurance, speed, margin of safety, emergencies, car care, drugs, alcohol, and you and your driving. During the middle of the course there is a midterm and on the last day of the course there will be a final.

Grades:

Students must have a 80% or better on all tests, quizzes, midterms, and final in order for a successful completion of this course. Extra help is available before and after class. If extra help is needed please set an appointment with the instructor.

Absences:

The student must attend every class WITHOUT exception.
